Kanpur, India

SUMMARY

I am a 3rd-year B.Tech student specializing in Computer Science and Engineering, with a solid foundation in full-stack web development and competitive programming. Proficient in various programming languages and frameworks, I have solved over 700 data structures and algorithms problems. I am focused on applying my skills to contribute effectively to team projects and consistently seek new learning opportunities.

EDUCATION

B.Tech

Pranveer Singh Institute Of Technology

08/2020 - 01/1970 Kanpur, India

X

K.V.O.E.F

01/2018 - 01/2019 Kanpur, India

XII

K.V.O.E.F

01/2020 - 01/2021 Kanpur, India

LANGUAGES

English
Advanced

Hindi
Native

TRAINING / COURSES

Programming Fundamentals
Using Python (Part-1 and Part-2)

HTML 5 – The Language

PROJECTS

Web Development Projects

Full-Stack Web Apps using React.js, MongoDB, Express.js, and Chakra UI.

- Developed a YouTube Saver web app using React.js, allowing users to save important YouTube videos in a personal space, create custom playlists, and watch videos within the app to minimize distractions. Implemented a user-friendly interface to enhance focus and productivity while consuming content.
- Built a full-stack e-commerce website using React.js, Node.js, Express.js, and MongoDB, enabling CRUD operations for managing goods and services.
- Developed a notes uploading website, enabling efficient document sharing among students.
- Designed a stone paper scissors game.
- Implemented a text translator web application.

STRENGTHS

Soft Skills

Consistently prioritizes tasks and meets deadlines by effectively managing time, even while juggling multiple projects.

Highly proactive in identifying challenges and initiating solutions before issues escalate, ensuring smooth project execution.

Adapts quickly to changing environments and new technologies, maintaining productivity in fast-paced settings.

Communicates clearly and persuasively, fostering strong teamwork and collaboration across diverse groups.

KEY ACHIEVEMENTS

Competitive Programming Achievements

Achieved 2-Star Coder status on CodeChef and solved 700+ DSA problems on competitive programming platforms.
